ROUGH DRAFT

STRAW PIG

Skinny tan pig with coarse hair. Had a lazy lifestyle and didn't try hard when he worked throughout his life. He also used others to be saved.

STICK PIG

Slightly fatter than the straw pig, brown with tan spots, and had soft hair. With spots of tan and also black throughout his body.

BRICK PIG

Large pig. Biggest out of his brothers. Brown with many black spots throughout his body.

PIG MOM

Ginormous pig and has eaten everything in the house. Is tired of taking care of her children, they eat all of her favorite food and snacks.

EXT. MOM PIG'S HOUSE - LATE MORNING

Small, wooden house with a porch. Their mom has planted many flowers and even some bushes throughout their porch, filled with green grass.

WIDE ESTABLISHING SHOT OF FOUR PIGS

Mom pig stands on the front porch with a rake in front of her house and is yelling at her children.

MOM PIG

You lazy pigs. You never do anything to help clean up the house and you eat too much food. Last week, you ate all my potato chips and all of my deserts. Get out and find your own home and food.

The straw pig runs off screen quickly. The stick pig hangs out for a bit admiring his old house for a while and then leaves. The brick pig pleads with his mother to allow him to stay.

MEDIUM SHOT OF MOM & BRICK PIG

BRICK PIG

But, mom. I love you. Don't send us away. I will eat less. I promise. And I didn't eat your chips, I would never.

CLOSE UP SHOT OF MOM

Mom pig swings her rake at the Brick Pig. Brick Pig runs away off screen quickly before getting hit.

PANNING WIDE SHOT OF BRICK PIG

After the mom swung her rake at the little pig, he ran away quickly knowing she won't let him live there.

EXT. THREE PIGS ROAD - MIDDLE OF EVENING

Long dirt and grass road containing houses of many animals. With large space for the three pigs' houses. Contains mostly grass and some dirt.

MEDIUM SHOT OF THE STRAW PIG

Straw pig stands in the middle of the land he was given by his brothers yawning and contemplating.

STRAW PIG

Hmm. What do I make my house out of? But I am kind of tired and feel like sleeping right now.

MEDIUM - WIDE SHOT OF STRAW PIG

He then noticed a pile of straw and a lightbulb went off in his head.

STRAW PIG

Ooo. I could use those straws over there and quickly pile them together into a home. And then finally I can sleep! Or eat!

SPED UP CRANING SHOT OF THE STRAW PIG MAKING HOME BOTTOM TO UP

WIDE SHOT OF STICK PIG AND HOUSE

Stick pig sitting in front of his house made of sticks eating cookies, his house is next to straw pigs house.

STICK PIG

MMM! These cookies are great! Well, my house instead is made of sticks and looks way sturdier and cooler than Straw Pigs house! Hahaha!

CUTS TO MEDIUM SHOT OF BRICK PIG

Brick pig lays the last brick showing his finished home and how it's the sturdiest.

BRICK PIG

This house took me hours to build. But I can finally live safely in this house and nothing can break it down.

EXT. THREE LITTLE PIGS HOME - EARLY MORNING

The three little pigs built their houses close to each other as they were brothers and had a great relationship. There stood on the dirt road, a big wolf, bigger than all of the pigs with shiny white teeth.

WOLF

Extremely large canine looking animal, larger than all of the pigs and is very aggressive. He has clumped gray fur, soft in some parts and hard in others. With large shiny white teeth and huge claws.

TRUCKING SHOT OF WOLF WALKING ALONG ROAD

The wolf is walking along when he notices a house and can smell the little pig in the straw and wants to eat him.

POV SHOT OF WOLF STARING AT STRAW HOUSE

DOLLYING MEDIUM SHOT OF WOLF WALKING TO STRAW HOUSE

EXTREME CLOSE UP SHOT OF SALIVA RUNNING DOWN WOLF MOUTH

The wolf is salivating because of the pig and wants to eat him so he can finally have a hearty meal.

WOLF

Oh little pig, little pig, let me in!

EXTREME CLOSE UP OF WOLF SHOWING HIS TEETH

INT. STRAW PIG HOUSE - EARLY MORNING

Straw pig has some furniture, he has a sofa, a fridge and a bed. That's really all he needs since he sleeps all the time. The house was built with straws and pieces of straw sticking out from every corner, these poke at him sometimes and are annoying.

THERE IS SOME LIGHTING THAT ENTERS THROUGH CRACKS IN THE STRAW AND STRAW PIG PROBABLY HAS ONE SMALL LIGHT INSIDE HIS HOME. THE STRAW CREATES A WEIRD EFFECT WITH LIGHTING INSIDE HIS HOUSE AND IT LOOKS LIKE WEBBING ON HIS FLOOR OUT OF LIGHT.

EXTREME CLOSE UP OF SWEAT RUNNING DOWN STRAW PIG'S HEAD

The straw pig is nervous that the wolf will eat him and starts profusely sweating as he is scared what might happen to him and his home.

STRAW PIG

No, no, no way, not by the hairs on my chinny chin chin.

EXTREME CLOSE UP OF WOLF GROWLING

The wolf growls and shows his teeth again as he is angry that the little pig is resisting.

WIDE SHOT OF WOLF IN FRONT OF HOUSE

WOLF

Well then, I guess I have no other choice to blow your weak house down.

The wolf takes one large breath and blows the pig's house into pieces.

STRAW PIG

Ahh! No! How could that happen!? I've got to run away!

DOLLYING SHOT OF PIG BEING CHASED BY WOLF

The straw pig is being chased by the wolf and has no other option than to run into his neighbor's home which happens to be the stick pig.

MEDIUM SHOT OF STRAW PIG

Straw pig walks into the stick pig's house and quickly slams the door loudly and abruptly so the wolf can't get in.

POV SHOT OF STRAW PIG

The straw pig looks around at the stick pig's nice house and how it is way more sturdier.

INT. STICK PIG HOUSE

The stick pig had made a great house, he didn't have any loose sticks and had a nice large window which allowed light to shine in. He had a kitchen but it wasn't nice or large and had a nice bed.

HE HAD NICE LIGHTING WHICH CAME IN THROUGH THE LARGE WINDOW IN HIS LIVING ROOM AND THE CRACKS IN THE STICKS WOULD ALSO SOME LIGHT TO SHINE THROUGH.

POV SHOT OF WOLF WALKING TO STICK HOUSE

EXTREME CLOSE UP SHOT OF SALIVA FALLING FROM WOLF MOUTH

The wolf is salivating even more because there are now two pigs he could eat sitting in one house, but is angry they are not in his stomach yet.

EXTREME CLOSE UP OF WOLF'S SHARP WHITE TOOTH

WOLF

Oh, there are two of you. Well little pigs let me in.

CLOSE UP SHOT OF STRAW PIG AND STICK PIG

Both the straw pig and the stick pig look at each other nervously and hesitantly, they both don't want to get eaten today.

STICK PIG AND STRAW PIG

No, no, no, no way, not by the hairs on our chinny chin chins.

WIDE SHOT OF WOLF AND STICK HOUSE

WOLF

Well, then so you two resist! Well then
I'll huff and puff and blow this house
down.

The wolf huffed and puffed twice before blowing the house
down because sticks are stronger than straws.

CLOSE SHOT OF STRAW AND STICK PIGS

The stick and straw pigs were already nervous and
when the house came down they started to run.

STRAW AND STICK PIGS

Ahh! Not again! Runnn!

DOLLYING SHOT OF WOLF CHASING THE PIGS

The stick pig's house also blew down causing them to be
chased by the wolf, and nowhere else to go other than their
neighbor, brick pig's house.

MEDIUM SHOT OF STRAW PIG AND STICK PIG

The two pigs enter the house and slam the door closed
quickly and abruptly so the wolf can't get in.

TRUCKING SHOT OF WOLF WALKING TO HOUSE

EXTREME CLOSE UP SALIVA IN WOLF MOUTH AND THE ANGER

The wolf is salivating even more now because he smells
three pigs inside instead of just one.

WOLF

Wow, three of you huh. It just keeps
getting better! Well you better let me
in!

CLOSE UP OF THREE PIGS

The three pigs are nervously looking at each other since the wolf blew down the last two houses, and they don't know if he can with this one too.

THREE PIGS

No way, not by the hairs on our three
little chinny chin chins.

WIDE SHOT OF WOLF AND BRICK HOUSE

The wolf is angered that they don't let him enter and has some hesitation about whether he could actually blow this house down or not.

WOLF

Well then I'll huff and puff and blow
this house down too like the last time.

CLOSE UP WOLF

The wolf huffed and puffed 4 times and couldn't blow the house down. He was sweating and was very tired, he had a surprised look on his face that he was unsuccessful.

MEDIUM SHOT WOLF

But as the wolf was standing there tired and out of breath, he noticed that the pig built a chimney and he got an idea on how to enter their house.

WOLF

Well I see you have a chimney up on
your roof. I'll just climb in and eat
you like that!

INT. BRICK PIG HOUSE

The brick pig's house was the nicest. He had great red walls which were smooth and had no cracks or holes. He had a nice wooden floor and had a TV, a sofa, many lights, and a nice kitchen. In his kitchen he also had a humongous pot.

MEDIUM SHOT OF PIGS

The pigs were scared but needed a plan to take down the wolf so they started thinking. They found a pot and placed a fire in the chimney and when the wolf fell, they would boil him in the pot.

POV WOLF

The wolf started to climb the house so he could use the chimney to get in.

WOLF

Well here I come!

WIDE SHOT OF PIGS AND CHIMNEY

As the wolf falls through the chimney the pigs lift the cover off the pot and the wolf falls into the water and is boiled alive.

THREE PIGS

Yay! We did it, we caught the wolf now we won't be troubled any more.
